*"For I know the plans I have for you", declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future." Jeremiah 29:11*

Do you have a hard time trusting God when life is too overwhelming or doesn't make any sense? We live in a busy world today where many are struggling to find purpose in life. We are robbed of joy when we get lost in present struggles instead of seeing the incredible plan God has intended for us. Born without arms or legs Nick's birth appeared to all as a very tragic event. At a young age he thought his life had no purpose and couldn't see a future worth living for. He shares how his life changed when he understood that God did not seek out his physical abilities but instead his availability. Nick now lives life full of **joy** with **purpose** that inspires us all to look beyond our present trials & seek out the bigger picture the Lord has for us. Nick will capture your heart with his humor, charm, the Aussie accent and most importantly his powerful message that will leave you impacted for a lifetime. You will be moved to see how his so-called birth defect was not a tragedy but an instrument to reveal the glory of God. *(John 9:3)*

Come experience how Nick's life went from a life without limbs to a life without LIMITS!

**Be prepared to be INSPIRED!**
